1. The amendment filed on 2/2/05 has been received and entered in the case.

2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

3. Claims 1, 2, 6-11, 13-15, 18 and 19 are rejected under 35 U.S.C. 102(b) as being anticipated by any one of Inamori et al, Crampton and Cho et al.

See paragraph three of the previous office action for the details of this rejection. The new limitation of a feedforward capacitor is met by capacitor 203 in Cho et al, any one of capacitors 2, 3, 10 and 11 in Inamori et al, and is met by either capacitor 74 or 84 in Crampton.

4. Applicant's arguments filed on 2/2/05 have been fully considered but they are not persuasive.

The argument concerning means-plus-function language in claim 6 is not persuasive because the circuitry disclosed in the instant figures is clearly equivalent to the circuitry of the applied prior art.

Art Unit: 2816

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kenneth B. Wells whose telephone number is (571)272-1757. The examiner can normally be reached on Monday through Friday from 8:30am to 5:00pm.
